

Tapingo

Wait less. **Live more.**

Your next on-campus meal is now just a tap away! UVM Dining is excited to announce the launch of Tapingo, a mobile ordering and pickup service that makes eating on campus easier and more convenient than ever. Tapingo is a free app that can be downloaded from your favorite app store. The app, allows users to browse menus, customize orders, and pay all from your phone. Users are then notified via text message their order is ready for pickup. So go ahead, start using Tapingo today at the following locations:

- Brennan's
- Cyber Café
- Given Bistro
- Green Roof Deli
- New World Tortilla
- Redstone Market
- Sprout
- The Skinny Pancake
- University Marché
- Waterman Manor
- Wow Bao

Use Tapingo. Never wait in line again.
